Canyon of the Ancients Guest Ranch in McElmo Canyon

Authors of the co-created book,  
*Air Mail: Letters of Politics, Pandemics and Place,*  
Pam and Amy have been writing and fighting  
for personhood and bodily autonomy  
for themselves, their loved ones, and for the most generous body  
of them all, Mother Earth and all her creatures, since they were  
old enough to open doors and go outside.

Pam and Amy on their 2020 Apocalyptic Book Tour,  
through Covid Lockdown and fire evacuations.

We will walk and talk and sit together.  
There will be prompts and strategies to get the elements  
of the physical world we love on the page. We'll soak in  
the surroundings and open ourselves  
to the deepest emotional truths we hold inside.

Bring your hiking boots, laptops, or pen and journal. Bring your willingness to be with your whole self, and in community. Plan to get some vital pieces of writing started, words that will honor the truth of you, the planet, and all of its diversities.

there are 11 beds in a total of 4 beautiful dwellings

or a partner. Or book solo!

those who want to camp nearby,  
commute from a local home, or rent lodging in nearby Cortez.  
Gathering together, in beautiful places,  
has never been more vital.

We do hope you'll join us in this incomparable, sacred  
landscape for rejuvenation and inspiration.
